

Legend Biotech to Host Investor Conference Call on Third-Quarter Results

November 7, 2023

SOMERSET, N.J.--(BUSINESS WIRE)--Nov. 7, 2023-- Legend Biotech Corporation (NASDAQ: LEGN) (Legend Biotech), a global biotechnology company developing, manufacturing and commercializing novel therapies to treat life-threatening diseases, will host a conference call for investors at 8:00am Eastern Time on Monday, November 20, 2023, to review third-quarter results. Company executives will provide an overview of Legend Biotech's performance for the quarter.

Investors and other interested parties may join the live audio webcast of the call via this [weblink](#).

A replay of the webcast and the earnings news release will be available at Legend Biotech's website at <https://investors.legendbiotech.com/events-and-presentations> approximately two hours after the call concludes.

About Legend Biotech

Legend Biotech is a global biotechnology company dedicated to treating, and one day curing, life-threatening diseases. Headquartered in Somerset, New Jersey, we are developing advanced cell therapies across a diverse array of technology platforms, including autologous and allogeneic chimeric antigen receptor T-cell, gamma-delta T cell and natural killer (NK) cell-based immunotherapy. From our three R&D sites around the world, we apply these innovative technologies to pursue the discovery of cutting-edge therapeutics for patients worldwide.
